SUMMARY

Computer Science Engineering student specializing in IoT, Cybersecurity, and Blockchain Technology with hands-on experience in web development and secure application design. Proficient in Java, Python, SQL, and modern web technologies, with a strong interest in building secure and scalable software solutions. Quick learner with strong problem-solving skills, seeking internship opportunities to contribute and grow in software development and cybersecurity

PROJECTS

- Blockchain-Based Supply Chain Tracking
- Developed a blockchain-based system to improve transparency and traceability in supply chain management.
 - Implemented secure transaction recording using blockchain concepts.
 - Focused on improving product authenticity and reducing data tampering.

- IoT-Based Smart Fan & Lighting System(On progress)
- Developed an IoT-based automation system using Arduino/ESP32.
 - Integrated temperature-based control and voice assistance.
 - Implemented safety monitoring features for efficient energy management.

- Luxury Villa Construction Website
- Developed a responsive website for a luxury villa construction company.
 - Technologies: HTML, CSS, JavaScript, Vercel
 - Live:<https://easternhemlock.vercel.app/>

- Canopy Architect Website
- Built a modern, responsive architecture company website with a professional UI.
 - Technologies: HTML, CSS, JavaScript, Vercel
 - Live: <https://canopy-architect.vercel.app/>

- VMR Engineers Website
- Designed and developed a responsive engineering company website.
 - Technologies: HTML, CSS, JavaScript, Vercel
 - Live: <https://vmr-engineers.vercel.app/>

SKILLS

Programming	Tools & Technologies	Cybersecurity
• Java	• Git	• Networking Fundamentals
• Python	• GitHub	• Authentication & Authorization
• C	• Linux	• Encryption Basics
• HTML	• VS Code	• Kali Linux
• CSS	• Arduino	• Wireshark
• JavaScript	• ESP32	• Nmap
• SQL	• Raspberry Pi	
•Full-stack		

EDUCATION

Bachelor of Engineering
Computer Science Engineering (IoT, Cybersecurity & Blockchain Technology)
Yenepoya Institute of Technology
Expected Graduation: 2027
Current Semester: 7th Semester
CGPA: 8.0

CERTIFICATIONS

AWS Certified Developer – Associate (Infosys), Microsoft Learn – Azure Security Fundamentals, Microsoft Learn – Microsoft Sentinel Fundamentals, IBM – Rapid Development for AI Services, Docker Training – IIT Bombay.

SOFT SKILLS

Quick Learner, Problem Solver, Team Player, Leadership, Communication, Time Management, Adaptability, Critical Thinking
